Potentate's Corner

I hope everyone is enjoying our Tucson weather. It's the best. As I write this article, our Chief Rabban, Noble Jerry Shultz, has a crew of Nobles who have volunteered to pressure wash the building. Hopefully, we can follow up with painting the building.

Some of your Divan and their Ladies, attended Western Shrine Association Convention this past week. There were two Imperial Officers and a candidate for Imperial Outer Guard in attendance. The meetings on Friday were very informative. Of course discussion of Membership & Public Relations through various media outlets were extremely beneficial to all.

I would like to add that these sessions, with the exception of the business meeting, are open to all Nobles and Ladies. There are unit competitions which are a lot of fun, and the camaraderie among the Temples is invaluable. Think seriously about going next year.

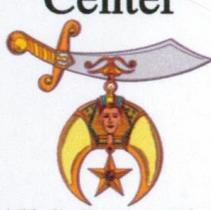

The onions are scheduled for delivery on May 7th. Please help sell these onions. This is one of our fundraisers which helps to keep the doors open.

The Spring Ceremonial will be held Saturday May 18th. If you know of a Master Mason you think would enjoy being a Noble at Sabbar, now is the time to bring him into our family. Call the office and we will take care of the rest.

We are hoping for more Ladies to join us at our Stated Meetings. As some of you have witnessed, the first part of the meeting is open to anyone who would be interested in learning what is going on in our Temple. This gives you an opportunity to invite someone who may be interested in joining our Shrine/Masonic family.

There are plans for several very fun events this summer, so don't get too comfy. Stop in the Temple and say 'hi'. The office is open weekdays 9:00am-1:00pm. ■

How Do We Go About Planning Our Journey?

Submitted by Noble Jerry Shultz, Chief Rabban

Last month, I laid out an idea on how we may travel in the future. Now that it's been established that a bus would be our mode of transportation, I need to know how many will come aboard. Should we obtain a large bus or a mini van?

Our vision and direction must be clear. We must plan our journey well. What are our objectives and how do we execute them?

Jette and I have been working on our upcoming cruise and land vacation for over a year now. The route we are taking on the cruise ship is set. We chose it. We also chose our cabin and time we eat and we will choose the activities we want to participate in while on the ship. The experiences we have off the ship are up to us or we can partake in the planned ship excursions. Either way, there is planning. But the real planning is when we leave the ship and venture into a country where we haven't been before. We need the basics like food, shelter and transportation. We also had to know what we wanted out of this upcoming experience. When there are so many places to visit and explore in the world, we plan each trip as if it may be the first, last, and only time we will be there. Consequently, we made a list of what we wanted to see and if we needed advance tickets (no sense waiting in long lines). Mostly, we just want to have fun. We spent hours planning and preparing and, before you know it, this trip will be in our rear view mirror.

I guess what I'm trying to convey is that we need to plan and plan well so we can enjoy what little time we have. None of us are promised tomorrow. Enjoy today, but know where you are going tomorrow, should you be lucky enough to have another day.

Come to the Sabbar Shrine Center and bring some joy. Pick up a Noble on your way. Help us plan for the coming days. Bring us some ideas that make you happy so we may share them with others. I brought home some great fun activities from the Western Shrine Association gathering in Las Vegas April 11-14th.

Finally, Ladies, please come to our stated meetings. After you have dinner with your Noble, you are invited into the first portion of our stated meetings where you will hear what's on the calendar. Directly after, ladies are invited to sit in on a variety of topics presented by outside speakers.

See you in June. ■

Fun and Fellowship

Submitted by Noble Toby Thomas, Assistant Rabban

I would like to start by saying Assistant Rabban School was well worth the time to attend. Imperial changed the format and it was very educational.

The first session was called **Finding Your Way**: What are your goals and what is their purpose - be realistic and learn to compromise - know the difference between charitable and fraternal fundraising, the ways and risks of both - make membership a priority - the temple is not a building but it's membership.

One of my favorite sessions was called **Changing Your Mindset**: Learn to have outward thinking not inward - how something could be beneficial to everyone and not just for yourself.

Of course, we had classes on taxes - law - budget planning - risk management - event planning and fundraising. The phrase that was said over and over was to bring back **Fun and Fellowship** to your temple.

When potentate, it's OUR YEAR, NOT MINE

Sabbar Shrine Stated Meeting

Monday, May 13, 2019

Dinner: 5:30pm Meeting: 7:00pm

Ladies Program:

Speaker *Canine Companions of AZ*

Shriners Hospital System

*Submitted by Illustrious Sir, Van Elrod, PP
Oriental Guide / Hospital Chairman*

Three of your temple officers and their ladies attended the Western Shrine Association Meeting last week. The Association Annual Meeting was both encouraging and disturbing. There were four temples not represented, Aames, Zelza, El Kalah, and El Malaikah did not have representatives in attendance. There were two Imperial Officers in attendance and one candidate for the Outer Guard position at the upcoming Imperial Session which is being held in Nashville. The competitions were weak but I applaud the people in charge for trying to re-establish them. Our Potentate and his Lady represented Sabbar very well. They were the winners of the "Hillbilly Horseshoe Competition". For their efforts they were presented the first annual trophy for the completion. Their name will be on the trophy and it will be passed on to next years winners.

The Imperial Officers, Imperial Sir William Bailey and Imperial Sir Ed Stolze, both were there to answer the many questions that pertained to many of the changes coming to the Shriners Hospital System. I am sure those of us who will attend the Imperial Session will come back to our temple with lots of information to share with everyone.

The disturbing part of the week-end was the news that Al Malaikah Shrine of Los Angeles will probably have a proposal on the call to withdraw from the Western Shrine Association. Since they had no representatives there, it was only discussed as something that probably will happen at the Imperial Session. Their withdrawal will weaken the Western Shrine Association considerably. I hope they will change their mind and once again be a strong part of the Association.

All of the temples of the Association need to make a very concerted effort to strengthen the Association. We as members of Sabbar need to step up and support our Association. We need better participation at the next event, competition support and, networking with the other temples to help us learn what is working at each temple, or in some cases what is not working.

Thanks for all the helpers that helped with our Outreach Clinic at the Square and Compass Clinic. ■

Letters From The Desk Of The Recorder

Submitted by Noble Gerry Innis, Recorder

It is time for spring cleaning and the alarm code list is first on the agenda. Everyone who has a code to set or reset the alarm at Sabbar Shrine Center needs to contact the Recorder and receive a new code. All of the old codes will be deleted. See the Recorder before you have to explain to Tucsons finest why you are in the building and unable to reset the alarm.

Check the Sabbar Web page! It is being updated and most of the events for the next few months are on the calendar click on the Events & Calendar tab at the top of the page.

Remember the Spring Ceremonial is the 18th of May. Come to Sabbar and show your support for the new Nobles joining that day.

Thoughts From The High Priest and Prophet

Submitted by Noble Roger Biede, III, High Priest and Prophet

Nobles, Nobles, Nobles!

Charles Franklin Kettering, sometimes know as Charles “Boss” Kettering, the American inventor, engineer, businessman, and the holder of 186 patents, was credited with the saying “*if you are doing something the same way you have been doing it for ten years, the chances are you are doing it wrong*”. While this quote has obvious limitations in some areas, I wonder how it holds up in our Shrinedom?

Shriners International Hospital for Children has been helping children for many many years, but the way we have helped them has been constantly evolving! Even now, we are hearing of the big shift of eliminating the hospitals to save money while giving better care to those we are helping! Shriners International is always releasing new aids to help the member Shriners grow membership, save money, and increase awareness!

The questions I pose to you this month ... Is Sabbar changing and adapting to the present for the better of the Fraternity? Are we doing enough for younger members while still catering to those who got us here? What do you think we still need to work on?

Behind the scenes, the Divan is working to find new ways/better ways of doing things. Some of your fellow Nobles are doing some amazing work reviving units, organizing our participation in parades and improving our Ceremonial in ways which you would not believe! I keep harping on it but times at Sabbar are changing, things are improving and getting fun again, just like it is supposed to be when you joined the Shriners!

Before I forget, we are looking to create a Sabbar Museum to honor and remember those who have come before us! We are going to dedicate a room to be a museum and fill it with artifacts and pictures of Old Sabbar! If you have any items or know where we can find them, please reach out and let us know. Lets get them together before they are lost to time. We have had some amazing men come through our doors and they deserve to be remembered.

If you know a good man who might be a good Shriner, go to <https://webfez.shrinenet.org/referral> and enter his name. Mason or not, we will call him and get him down to Sabbar. Lets share this amazing Fraternity and grow Sabbar like the good old days! ■

The Spring Ceremonial takes place at Sabbar Shrine Center - Saturday, May 18th. Invite your family and friends. Join the fun and support our newest Nobles!

8:00am - Staff to Arrive

8:30am - Nobles and Ladies Arrive (*Coffee & Donuts*)

9:00am - Indoctrination and Obligation

9:30am - Candidates Meet With Directors Staff

10:00am - Ceremony

12:00pm - Lunch (*Public welcome*)

Social Hour at the Red Fez Lounge following Lunch.

This Ceremonial will be performed in both English and Spanish so our Nobles from south of the border will understand the Initiation. Nobles from Mexico who were previously initiated into Sabbar Shrine will serve as interpreters. Everything spoken in English will be repeated in Spanish.

Noble David Rameriz from Mexico will play the part of the First Ceremonial Master. He will address the candidates in English and then again in Spanish. Noble Jerry Taylor will give the Orators part in English followed by Noble Carlos Tolsa in Spanish. This is one of the more important parts along with the Obligation and the candidates need to understand it in their own language.

We need candidates and we also need an audience to watch the performances and welcome the new Nobles. If you have top-lined a candidate, it is your responsibility to be there to welcome him as a new Noble. I have a cast of 20 plus dedicated Nobles working hard to perfect this bilingual Ceremonial. Support your Temple and the new Nobles by being here to watch them be initiated. Invite those members of your Lodge, who for one reason or another cannot join at this time, to come and watch our Ceremony and visit with our Masonic Brothers.

Come, watch us perform and bring someone with you. Ladies and children are welcome.

Burkel's Bits

Submitted by Noble Bill Burkel

The 100 degree days are here and some of you are about to head to cooler places. Be safe in your travels and we will see you in the fall. The rest of us will hold down the fort.

The turnout for the stated meeting was fair. Remember, the Temple is what you make it. Talking about turnouts; our next parade is on May 27th at the Tucson Estates. Hope to see lots of you there. More details in the Topics.

The Southeast Shrine Club in Willcox, has their Official Visit on May 3rd. Hope to see some of you there.

I had no response on forming a unit with different cars for parades. Oh well! Speaking of units, it was great to see the Legion of Honor carrying the flag. I understand they are looking for new members.

Another unit working on a project is the Directors Staff. They are sponsoring an Arts and Crafts Show on August 24th. There will be food and sweet corn will be available for purchase. It's not too early to buy gifts for the Holidays.

The onions are coming! They should arrive on May 7th. Plan on picking them up at the Shrine

Talk to you later—Bill.

Legion of Honor

Submitted by Noble Don Lewis, Commander

The Legion of Honor (LOH) is moving forward step by step, but very slow. We have had two meetings and are LOOKING for MORE Nobles to join our ranks.

In Shriners International, there are two Units which have a requirement for membership; they are the Knights of Meca and the Legion of Honor. The Knights of Meca requires you must be a Past Master. In the Legion, you must be a Veteran with an Honorable Discharge from the service of your country.

We are looking for Nobles who fill this requirement. We are making repairs to the LOH trailer so we can participate in parades and other events where we can show our pride of Flag and duty to Country. There is nothing more rewarding than being in a parade and having bystanders say "thank you" or just clapping as you march by.

There are 150 Legion of Honor Units within Shriners International and about 9,000 members. The comradery between members is something you as a member of the Legion of Honor will never forget.

COME, JOIN this reactivated unit.

**IT IS AN HONOR
TO BE A MEMBER OF
THE LEGION OF HONOR!**

**Statement of Wyatt S. Earp
In the Preliminary Hearing in the Earp Holliday Case,
Heard before Judge Wells Spicer
November 16, 1881**

I saw that Billy Clanton and Frank and Tom McLaury had their hands by their sides. Frank McLaury and Billy Clanton's six-shooters are in plain sight. Virgil said, "Throw up your hands: I have come to disarm you!" Billy Clanton and Frank McLaury laid their hands on their six-shooters. Virgil said, "Hold, I don't mean that! I have come to disarm you!" Then Billy Clanton and Frank McLaury commenced to draw their pistols. At the same time, Tom McLaury trowed his hand to his right hip, throwing his coat open like this, (showing how) and jumped behind his horse.

I had my pistol in my overcoat pocket, where I had put it when Behan told us he had disarmed the other parties. When I saw Billy Clanton and Frank McLaury draw their pistols, I drew my pistol. Billy Clanton leveled his pistol at me, but I did not aim at him. I knew that Frank McLaury had the reputation of being a good shot and a dangerous man, and I aimed at Frank McLaury. The first two shots were fired by Billy Clanton and myself, he shooting at me, and I shooting at Frank McLaury. I don't know which was fired first. We fired almost together. The fight then became general. After about four shots were fired, Ike Clanton ran up and grabbed my left arm. I could see no weapon in his hand, and thought at the time he had none, and so I said to him, "The fight had commenced. Go to fighting or get away," at the same time, pushing him off with my left hand, like this. He started and ran down the side of the building and disappeared between the lodging house and photograph gallery.

My first shot struck Frank McLaury in the belly. He staggered off on the sidewalk but fired one shot at me. When we told them to throw up their hands, Claiborne threw up his left hand and broke and ran. I never saw him afterwards until late in the afternoon, after the fight. I never drew my pistol or made a motion to shoot until after Billy Clanton and Frank McLaury and Frank McLaury drew their pistols. If Tom McLaury was unarmed, I did not know it. I believe he was armed and fired two shots at our party before Holiday, who had the shotgun, fired and killed him. If he was unarmed, there was nothing in the circumstances or in what had been communicated to me, or in his acts or threats, that would have led me even to suspect his being unarmed.

I never fired at Ike Clanton, even after the shooting commenced, because I thought he ws unarmed. I believed then, and believe now, from the acts I have stated and the threats I have related and the other threats communicated to me by other persons as having been made by Tom McLaury, Frank McLaury, and Ike Clanton, that these men last named had formed a conspiracy to murder my brothers, Morgan and Vigil, Doc Holliday and myself. I believe I sould have been legally and morally justified in shooting any of them on sight, but I did not do so, nor attempt to do so. I sought no advantage when I went as deputy marshal (city marshal) to help disarm them and arrest them. I went as part of my duty and under the direction of my brother, the marshal. I did not intend to fight unless it became necessary in self-defense and in the performance of official duty. When Billy Clanton and Frank McLaury drew their pistols I knew it was a fight for life, and I drew in defense of my own life and the lives of my brothers and Doc Holliday. ■

Ladies Activities

I was both humbled and proud to see so many of you who gave up your busy day to share our special day with us. My heart was so full of love for all of you. I can never say thank you too many times.

I personally pledge my support for the Sabbar Shrine Center. Illustrious Sir Jim Wolfe, PP, Potentate, and the members have worked very hard to make sure the work continues for many years to come, and we give them our full support.

Daughters of the Nile's philanthropic endeavors are the Shriners' Hospitals for Children. We take great pride in our efforts to bring some comfort to these patients. My brother was a Shrine child. He contacted Polio when he was six or seven years old. Everyone told my mother he would never walk. The Shrine Hospital & doctors proved them wrong. He lead a productive life driving a truck for a living and even raced cars at the Rodeo Grounds. I grew up seeing the miracle Shriners gave to my brother.

We have a great group of women in the Daughters of the Nile who work hard. The Nile Dancers, Patrol and Pageantry perform for our Ceremonials, Official Visits, and Special Events. We sew quilts, donate toys, raise money and, make bags to keep personal items in for the children. That's just a tip of what we do. All donations promote, support, and maintain the philanthropic endeavors that enhance the medical care and treatment of the patients in the Shriners Hospitals for Children.

We do make a difference!

Sabbar Shrine Stated Meeting ~ May 13, 2019 Ladies Program

All ladies and guests are invited to come for dinner and sit in on the announcements that will be made at the beginning of the Stated Meeting.

Following the announcements, Pat Wiedhof, a Special Staff Assistant to the Pima County Attorney will be speaking on crisis intervention and how victims of mass casualty events are helped. She will also speak about the Las Vegas mass shooting as part of her program.

Hope to see you there!

Did you know there is a "Ladies of Sabbar Shrine" facebook page? There have been several requests to dust off the page and reactivate it.

This will be a great way to stay up-to-date on the Shriners Hospitals, keep current on the different Masonic ladies groups, share your favorite recipe, post and share your gardening photos and tips, and don't forget about your hobbies.

Hopefully the reactivation can be complete by the May Stated Meeting. Stay tuned!
